Hargraves Innovator Awards

Hargraves Innovator Awards applaud everyone who has contributed to innovation and improvement in your workplace, whatever their role.

Innovators receive industry-wide recognition and a faster pathway to Deakin University Professional Practice Credentials. As well as a physical certificate they receive a digital badge, which they can display on their social media platforms.

Organisations capture the real-life stories and examples of individual and team success with the added opportunity to capture value and promote their innovation capability.

Build employee confidence and motivation

A Hargraves Innovator Award is good for your employees because it:

- showcases their talents as they can display their badge, tell their story and highlight their strengths
- increases their innovation confidence because the process reinforces strengths and points to improvement
- provides a pathway to qualifications as the story can be used to apply to DeakinCo. for a range of micro credentials
- offers the opportunity to be considered for a Hargraves Innovator Gold Award, providing external recognition alongside Australia's leading organisations

Costs

1-10 awards: \$500* each

11 or more: \$385* each (in a single invoice)

Hargraves Innovator Awards are uniquely powerful because they celebrate **your people**, whatever their job role or contribution to innovation and improvement. As an industry-wide framework, the recognition is **transportable and prestigious** for both your employees and your organisation. Awards are **credible** because they are assessed by external innovation experts against an innovation mindset framework and criteria drawn from formal credentials.

Make your innovation success visible inside and out

Hargraves Innovator Awards are good for your organisation because they:

- shine a light on the great stories of innovation and improvement that are happening in your organisation now
- motivate your employees to strive for recognition through their innovation efforts
- increase understanding of innovation mindset capabilities through the organisation
- promote your organisation as a great place to work

The process

We want to make this as easy as it can be for you and your employees.

Step one: Nominate people to apply, either online or by telephone interview

Step two: We assess the submissions and write a personalised story to include on a certificate, customised to reflect your brand

Step three: We provide the certificates

Step four: You award the certificates to celebrate the achievements of your people

Step five: We send through a digital badge to each award winner
