

# INNOVATION MINDSET

*A workshop for people who want to achieve more at work*

facilitated by ALLAN RYAN

---

**Are you ambitious and want to achieve more at work?**

---

**Are you a leader dedicated to boosting team performance?**

---

**Are you responsible for complex projects or demanding technical situations?**

---

**The Innovation Mindset empowers you, your workmates and your team to search for and deliver better outcomes every day. You'll learn how to understand your strengths and build engagement through habits and tools. With an innovative mindset you'll unlock your potential in a contemporary workplace.**

**“ *I unleashed my innovation guru that I didn't know I had.*”**

Victorian Eastern Health District

---

"Life is like riding a bicycle. To keep your balance, you must keep moving." Albert Einstein

---

“ By morning tea, I felt my 6 hour round trip had paid off. A great mix of tools to help individuals and teams think differently and innovate more effectively.”

BlueScope Steel

### **REALISE your potential**

Learn and practice how to better engage with your workmates to deliver innovative outcomes using frameworks and tools.

### **BUILD a culture of innovation**

Uncover the principles behind your organisation's priorities and plan the practical steps needed to accelerate organisational performance.

### **CREATE healthy teams**

Understand and reflect on how you can make your team more effective and capable of innovation in projects and day-to-day work.

### **DISCOVER your innovation strengths**

Explore the powers of your innovation mindset and how best to apply them for success in a contemporary workplace.

## **It's different**

Just like learning to ride a bike, you can't develop your innovation mindset just by listening to a facilitator and looking at a PowerPoint presentation. At this highly interactive workshop, which is built on 15 years' practice with the top teams from the best workplaces, Allan will share best practices from Hargraves Institute's diverse membership. Participants will receive a comprehensive workbook with tips, tools and templates.

## **Costs**

The standard cost for this one-day workshop is **\$650** per person (includes GST) for up to 18 participants.
